## Equivalent qualifications for registration

In accordance with Section 53(b) of the National Law individuals are qualified for general registration if they hold a qualification considered by the Medical Radiation Practice Board of Australia to be substantially equivalent.

Note: National Law refers to *Health Practitioner Regulation National Law Act 2009*

<b>Qualifications that lead to registration as a medical radiation practitioner (Diagnostic Radiography)</b>	
<b>Australian equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Conjoint Board of the Royal Australian College of Radiologists and the Australian Institute of Radiography	Diploma of Qualification (Diagnostic Radiography)
Conjoint Board of the Royal Australian College of Radiologists and the Australian Institute of Radiography	Certificate of Qualification (Diagnostic Radiography)
Charles Sturt University	Bachelor of Radiation Science (Medical Imaging)
Curtin University of Technology	Bachelor of Science (Medical Imaging)
Department of Technical & Further Education, Sydney	Associate Diploma in Diagnostic Medical Radiography
Education Department of Tasmania	Certificate in Diagnostic Radiography
Mount Lawley Technical College	Diploma of Radiography
Newcastle College of Advanced Education	Associate Diploma in Diagnostic Radiography
Queensland University of Technology	Diploma of Applied Science (DR)
Queensland University of Technology	Bachelor of Medical Imaging Science
Queensland University of Technology	Bachelor of Applied Science (Medical Radiation Technology)
Queensland University of Technology	Bachelor of Applied Science (MRT)
Royal Melbourne Institute of Technology	Associate Diploma of Medical Radiography
Royal Melbourne Institute of Technology	Diploma of Applied Science (Diagnostic Radiography)
Riverina College of Advanced Education	Associate Diploma of Medical Radiography
South Australian Institute of Technology	Diploma in Applied Science (Diagnostic Radiography)

South Australian Institute of Technology	Associate Diploma in Radiological Technology (Radiography)
South Australian Institute of Technology	Advanced Diagnostic Radiography Certificate
South Australian Institute of Technology	Radiography Certificate
Sturt College of Advanced Education	Associate Diploma in Diagnostic Radiography
University of Newcastle	Diploma of Applied Science (Medical Radiation Technology) Diagnostic Radiography
University of Newcastle	Bachelor of Applied Science (Medical Radiation Technology) Diagnostic Radiography
University of South Australia	Diploma of Applied Science (Diagnostic Radiography)
University of South Australia	Bachelor of Applied Science (Diagnostic Radiography)
University of South Australia	Bachelor of Medical Radiation (Diagnostic Radiography)
University of South Australia	Bachelor of Medical Radiation (Diagnostic Radiography) (Honours)
University of South Australia	Bachelor of Medical Radiation Science (Medical Imaging)
University of South Australia	Bachelor of Medical Radiation Science with Honours
University of Sydney, Cumberland College Of Health Science	Diploma of Applied Science Medical Radiation Science - Diagnostic Radiography
University of Sydney	Bachelor of Applied Science (Medical Radiation Technology) Diagnostic Radiography
University of Sydney	Bachelor of Medical Radiation Sciences
University of Sydney	Bachelor of Radiation Science (Medical Imaging)
University of Sydney	Bachelor of Applied Science (MRT) (DT)
University of Sydney	Bachelor of Applied Science (MRS)
University of Tasmania	Diploma of Diagnostic Radiography
WAIT	Diploma of Applied Science – Diagnostic Radiography
WAIT	Diploma of Applied Science (Radiography)
WAIT	Diploma of Diagnostic Radiography

<b>Canadian equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Dalhousie University Nova Scotia	Bachelor of Science in Health Science in Radiological Technology
Dalhousie University Nova Scotia	Bachelor of Health Science in Radiological Technology
Mohawk College of Applied Arts and Technology & McMaster University	Advanced Diploma from Mohawk College + Bachelor of Science in Medical Radiation Sciences (Radiography) from McMaster University
University of Prince Edward Island	Bachelor of Applied Science in Radiography
University of Toronto & Michener Institute of Applied Health Science	Bachelor of Science (Medical Radiation Sciences) and Diploma in Radiological Technology
<b>Hong Kong equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Hong Kong Polytechnic University	Bachelor of Science Radiography and Bachelor of Science (Hons) Radiography (Medical Imaging)
<b>Ireland equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
University College of Dublin or University College Dublin (UCD)	Bachelor of Science (Radiography)
University of Ulster	Bachelor of Science (Diagnostic Radiography)
University of Ulster at Jordanstown	Bachelor of Science (Hons) Radiography
<b>New Zealand equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Christchurch Polytechnic Institute of Technology, NZ	Bachelor of Medical Imaging
Manawatu Polytechnic (trading as Universal College of Learning), NZ	Bachelor of Applied Science (Medical Imaging Technology)
Unitec Institute of Technology, NZ	Bachelor of Health Science (Medical Imaging)
<b>South Africa equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Cape Peninsula University of Technology	National Diploma Radiography plus Bachelor of Technology
Cape Peninsula University of Technology	Bachelor of Technology Radiography (Diagnostic)
Central Uni of Technology, Free State (formerly Free State Technikon)	National Diploma Radiography plus Bachelor of Technology
University of Pretoria	Bachelor of Technology (Medical Imaging)
University of Pretoria	Bachelor of Radiography

<b>United Kingdom equivalent institutions and qualifications</b>	
<b>Institution</b>	<b>Qualification</b>
Anglia Polytechnic University	Bachelor of Science (Hons) Diagnostic Radiography
Canterbury Christ Church University	Bachelor of Science Hons Medical Imaging (Diagnostic radiography)
Canterbury Christchurch College, University of Kent at Canterbury	Bachelor of Science (Hons) in Diagnostic Radiography
Canterbury Christchurch University College	Bachelor of Science (Hons) Medical Imaging
Cardiff University	Bachelor of Science in Diagnostic Radiology and Imaging
City University, London	Bachelor of Science (Hons) in Diagnostic Radiography
Cranfield University	Bachelor of Science Bachelor of Science (Hons) in Diagnostic Radiography

<b>Table of Changes – Equivalent Qualifications</b>		
<b>Identifies changes made from the previously published list of qualifications considered equivalent by the National Board</b>		
<b>Institution</b>	<b>Qualification</b>	<b>ACTION</b>
Department of Technical & Further Education, Sydney	Associate Diploma (Therapeutic Medical Radiography)	<b>Correction</b> – moved from the division of diagnostic radiography to the division of radiation therapy.
Education Department of Tasmania	Certificate Medical Radiotherapy	<b>Correction</b> – moved from the division of diagnostic radiography to the division of radiation therapy.
Multiple	Bachelor of Science (BSc) - multiple	<b>Modification</b> - All qualifications notated as BSc have been given their full title of Bachelor of Science
University of South Australia	Bachelor of Medical Radiation Science (Nuclear Medicine)(4Year)	<b>Addition</b> - Uni SA Nuclear Medicine program determined by the Board as an equivalent qualification. Graduates of this program of study will be subject to conditions requiring a minimum of 6 months supervised practice
