

Medical Radiation Practitioner Registration Data: October 2013

Published November 2013

Introduction

The functions of the Medical Radiation Practice Board of Australia include:

- registering medical radiation practitioners and students
- developing standards, codes and guidelines for the Medical Radiation profession
- handling notifications, complaints, investigations and disciplinary hearings
- overseeing the assessment of overseas trained practitioners who wish to practise in Australia
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by Australian Health Practitioner Regulation Agency (AHPRA). For information about legislation governing our operations see AHPRA's Legislation & Publications at www.ahpra.gov.au/Legislation-and-Publications.aspx

The Board has analysed its registration data and produced a number of statistical reports about registrants to share with the profession and community. The Board will share these statistical reports regularly.

For more information on medical radiation registration, please see the Board's website: www.medicalradiationboard.gov.au/Registration.aspx
